## EDUCATION

### University of Auckland, NZ — Bachelor of Engineering

March 2017 - Present

### Natabua High School, Fiji — Pure Science (Biology, Chemistry, Physics, Maths & English)

January 2012 - 2016

## Experience

### YouTube Producer, Google

November 2013 - Present

Produce videos showcasing and reviewing the greatest in Tech. The videos are drafted, shot and edited all by me and all relations with major brands (Samsung, Logitech, Acer, etc) are held as well.  
(<http://www.Youtube.com/iTechnoBlog>)

### Communications, Vodafone

May 2016 - February 2017

Was responsible for creating, developing and editing engaging video content for the Vodafone brand.

### Design Apprenticeship, Punjas

November 2015 - February 2016

Was responsible for designing posters for 5 retail outlets over the course of 3 months. The posters were featured across the branches of retailers throughout the country.
